# Come On In & Join the Fun!

Ride the famous Maah Daah Hey Trail and the brand-new Buffalo Gap Trail with experienced guides and out-fitters. Bring your favorite horse, hiking boots or mountain bike to ride or walk these rugged, beautiful Badlands.

Sightseeing and photographic opportunities are endless. Stargazing is a favorite evening pastime here.

Visitors often see wildlife including bighorn sheep, elk, mule deer, white-tailed deer, pronghorn antelope, wild turkeys, sharp-tailed grouse, coyotes, prairie dogs and a variety of birds of prey and many area songbirds.

The fantastic designs of Mother Nature are all around you as you ride the long, wooded draws, ravines, high plateaus, buttes and ridges that make up these one-of-a-kind Badlands.
